VIDEO:

EXPLORER JUMPS OUT OF HIS CAR AND RUNS AROUND TO THE BACK OF THE SPEAKER GRILLE, THEN PULLS THE BACK PLATE OFF OF THE SPEAKER GRILLE WHILE A CUSTOMER MAKES AN ORDER. WE SEE A SMART-ALEKY MONSTER SITTING INSIDE THE GRILLE BOX WITH HIS EAR TO THE GRILLE WHILE HE HOLDS A MICROPHONE.

SFX: Metal creaking

Customer: I'd like a super happy burger, hold the mustard and onions, and order of curly fries, a medium diet cola and a vanilla shake.

MONSTER: (Voice is scratchy and full of static) Let's see, he wants four regular happy burgers with the works, three fries (with half on the bottom of the bag), Some spilled lemon-lime pop (caffeine free), hold the napkins please.

VIDEO:

EXPLORER HOLDS UP BOOK **Aksel'd Field Guide to Monsters**. IN THE BACKGROUND, THE OTHER CAR DRIVES TO THE PICK-UP WINDOW AND STOPS. WINDOW OPENS, CUSTOMER HANDS SOME MONEY THROUGH WINDOW AND RECEIVES A PAPER BAG. CAR PULLS AWAY A SHORT DISTANCE, THEN STOPS. HE SQUEALS INTO A PARKING SPOT, JUMPS OUT OF THE CAR, SLAMS THE DOOR, RUNS TO THE WINDOW AND STARTS GRIPING ABOUT HIS FOOD ORDER

Explorer: (whispering) If you didn't know of the existence of the speaker grille monster, you might get mad at the poor schlemiel inside the restaurant. (In normal voice) That's just one reason intrepid explorers (and anyone else who has to leave their house at some point) need to get Aksel's Field Guide to Monsters. A field guide to the real world you don't know. At your local bookstore now.
